

# Illu String Lights

# Premium Illu String Light

Create a welcoming outdoor ambiance with LEDmaxx Illu string lights, perfect for restaurants and gardens. Ready to use, they come in lengths from 10m to 50m and two color options. Each model is extendable up to 1500W and features a durable flat cable with specially designed E27 sockets. An included power cord with a safety plug makes setup simple. Light bulbs are sold separately. Explore our collection of over 300 LED bulbs.
